

We help customers build secure tomorrows.

We are proud to have Securian Financial as part of our Pinnacle Partner Program. You trust us to ensure your workforce has the benefits they need, when they need them. We trust our Pinnacle Partners to help us deliver on that promise. These partnerships, grounded in empathetic experiences and state-of-the-art innovation, guarantee quality products and services with secure and seamless integrations.

Solutions for You

Choosing the right employee benefits for your workforce matters. You are dedicated to ensuring your employees overall physical and financial health are protected- now and in the future. Securian Financial's adaptable, consultative approach means you get relevant solutions for your business and employees.

Our Partnership

Together, Securian Financial and Businessolver's partnership is grounded in support and service. We ensure your employees have streamlined access to important benefits to protect their financial futures while helping you manage cost.

- ▶ **Leading technology:** We work proactively to increase benefit education and participation through our integrated benefits enrollment and management experience backed by a dedicated team.
- ▶ **Consultative experts:** We work flexibly and transparently to help you identify the right path forward, improving efficiencies, enhancing employee and beneficiary experiences and delivering personalized service with each program.
- ▶ **Relevant solutions:** We'll keep you apprised of product and market changes and evolve and adapt your voluntary suite within our technology to keep you at the top of your game.
